

Bacticlean 1

From Victory Lighting

Keep your staff and customers safe from Covid-19 with the Bacticlean 1 from Victory Lighting. The Bacticlean 1 System is the ideal solution for reducing airborne pathogens. Easy to use and simple to maintain.

Bacticlean 1 uses germicidal UV-C radiation at 253.7nm to disinfect the air around it killing viruses including Covid-19 in a matter of minutes.

Applications

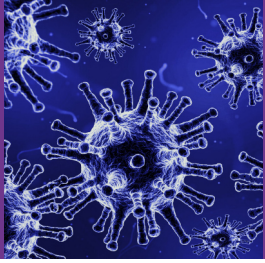

- Pubs/Bars
- Restaurants
- Care Homes
- Hotels/Conference Centres
- Gyms
- Offices
- Leisure & Retail Venues
- Manufacturing Sites
- Waiting Rooms

Controlled, Safe Air Purification

- Indoor applications
- UV-C 253.7nm wavelength
- IP20 Rated
- Disinfect in seconds
- Easy installation & safe to use
- Affordable cost
- Non Toxic solution
- Free standing or wall mounted
- Powder coated casing

Bacticlean is powered by ultraviolet germicidal irradiation. It's a scientifically proven disinfection method that uses short-wavelength ultraviolet light (UV-C) to kill harmful pathogens. It disinfects air and surfaces from a number of bacteria and viruses, including coronaviruses, bacterial spores, influenza, rotavirus and others. It also exterminates mould and bed mites.

Microsearch Laboratories found that under strict test conditions the Bacticlean device totally eradicated the Covid-19 surrogate used, in a room measuring 45 cubic metres in just 60 minutes and given that the surrogate employed, Bacteriophage, is 3 to 6 times more resistant to UV-C dosing than Covid-19, it follows that in use the device would inactivate Covid-19 even more efficiently than demonstrated by these tests.

BactiClean 1
From Victory Lighting

What Are The Benefits

- Bacticlean provides a non-toxic solution
- No Harsh chemicals used
- UV light is more effective at eradicating micro-organisms than chemicals
- UV light kills viruses
- Affordable capital and operational costs
- Bacticlean disinfects in seconds
- UV-C is versatile and can be used in many applications
- Bacticlean can be installed in seconds and is ready to use
- Bacticlean is safe and easy to use and maintain
